## How To Take Measurements

### a. Waist

Place a tape measure around your waist just above the belly button.

### b. Out Length

Take the measurement from the top of your waistband all the way down to the sole of your shoe.

### c. Front Rise

Measure from the seam at the very center of the pant's crotch to the top of the front waistband.

### d. Back Rise

Measure the seam found on the pant's crotch and follow it to the top of the back waistband.
