How To Take Measurements

a. Waist

Place a tape measure around your waist just above the belly button.

b. Out Length

Take the measurement from the top of your waistband all the way down to the sole of your shoe.

c. Front Rise

Measure from the seam at the very center of the pant's crotch to the top of the front waistband.

d. Back Rise

Measure the seam found on the pant's crotch and follow it to the top of the back waistband.
