

65% Smaller than leading retail brand

Power: 35W  
Size: 2.76" x 3.31"

**Blok 2.0**  
Power: 40W  
Size: 1.82 x 1.37"

## Blok 2.0

40W Dual USB-C Charger

The latest Blok 2.0 chargers now feature GaN, the newest semiconductor technology that reduces overall product footprint (65% smaller compared to leading retail brands) while charging up to two devices at breakneck speeds and reduced heat signature. Showcase your logo via full-color digital display on this "can't have enough around the house" tech gift! Each individually packed in retail packaging.
