

## Jupiter 3.0

The newest generation of our Jupiter powerbank now boasts a powerful 15W Magsafe "snap-on" wireless charging and 20W via USB-C port, efficiently charging a phone from 0 to 50% in 30 minutes or less. Continuing the slim profile design of our popular Jupiter series, this latest version is the perfect blend of power and portability. Showcase your logo via precision laser engrave finish. Each presented in retail gift box.
