

UV-C BOX

[PPE]

The UV-C Box uses ultraviolet light to kill up to 99.9% of germs on hard surfaces. This large capacity sterilizer features a built-in 10W external wireless charger, 2 countdown time settings, and aromatherapy feature (essential oil not included). Each packed in individual retail box and includes type-C charging cable. Promote your brand with a large, full-color ready imprint area. Each individually retail packaged.
