If you happen to change your mind, receive the wrong product, or accidentally order the wrong size, no worries! We will happily exchange or refund your purchase providing:

- The items are returned within 30 days of purchase with the original receipt or proof of purchase.
- Items must be returned in original condition as received, in original packaging with all labels/hangtags attached.
- Garments must not have been worn.
- The Returns and Exchanges form must accompany goods.
- Returns will be refunded minus the original postage cost you paid when placing your order.
- Please ensure you obtain the proof of postage until it arrives back with us. Refunded postage cost is not valid on international refunds.

Please note this policy only applies to items purchased through our online store. Products purchased via a stockist/marketplace must be returned to the place of purchase.

Once your parcel has been received, please allow 5-10 business days for your refund/exchange to be processed (excluding postage costs). It may take an additional 4-5 business days for the refund to be credited against your original payment method. Processing times for exchanges or refunds may take longer during sale periods.

International Returns

Returned items are at your expense. You can return an item by post using any international postal service. We recommend you mark your parcel as 'returned goods' to avoid custom delays. Please note we do not offer exchanges for international orders. If an alternative product is required, you will have to place a separate order for this online.
