

ELEGANZA

Embrace your moment with Eleganza

**ELEGANCE
IS NOT ABOUT
BEING NOTICED,
IT'S ABOUT
BEING
REMEMBERED**

-GIORGIO ARMANI

Welcome to The Chic Luminance of ELEGANZA

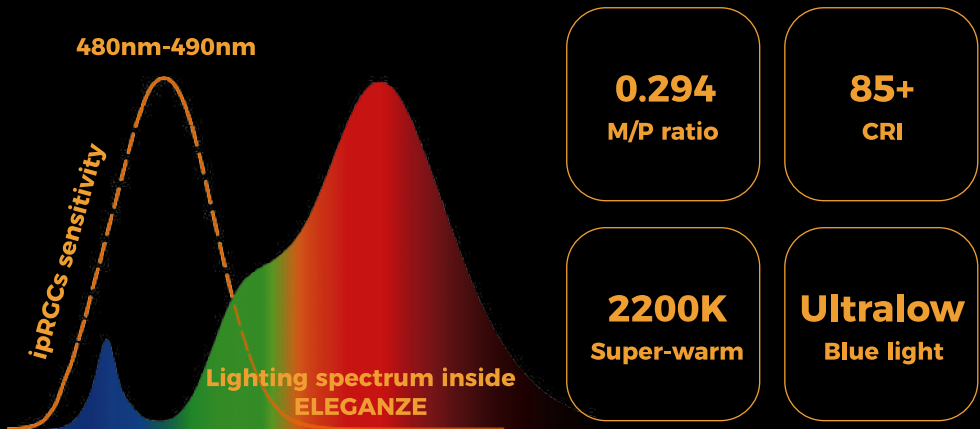

Encounter the fusion of sleek design and scientific acumen within the ELEGANZA lamp, featuring Well24™ technology's that gently encourages melatonin secretion to cozily coincide with your body's natural evening rhythm. ELEGANZA's function marries fashion, establishing a calming ambiance for unwinding, not for sleep inducement.

Elevate your evening with ELEGANZA's soft touch and sophisticated glow, harmonizing smart lighting with elegant aesthetics, and transform your space into a serene haven for the night's tranquil activities.

Discover ELEGANZA - the epitome of twilight elegance, artfully designed to complement the sophisticated rhythms of your nocturnal lifestyle.

Well24™ Technology Inside

ELEGANZA utilizes Well24™ technology with a spectrum designed to limit the 480nm-490nm wavelength which is crucial for melatonin secretion and your circadian rhythm. Giving the Melanopic/Photopic ratio (M/P ratio)* at 0.294 and with the super-warm color temperature of 2200K by ultralow blue light, ELEGANZA provides the true relaxation light for your wellbeing.

Versatile Design

ELEGANZA's streamlined form effortlessly blends into both home and professional environments. Its sophisticated profile is universal, making it an ideal addition to eclectic living rooms, executive offices, or boutique hospitality spaces. With ELEGANZA, experience a touch of elegance that elevates any setting.

Fearless of Outdoor Use

There is no reason to disrupt your scenarios by the weather - whether on a couple's dating, family gathering or chatting with friends. The IP65 / IK08 grade design and the special aluminum housing and coating of ELEGANZA protect every significant moment for you timelessly.

The Elegance In ELEGANZA

ELEGANZA is not as a regular desk lamp but with an exquisite manner, bringing the elegance to the extreme.

Eco-friendly

ELEGANZA pairs beauty with environmental responsibility, featuring energy-efficient LEDs, sustainably sourced materials, and a recyclable design for a greener, brighter future.

Light source: Well24™ Tech LED

Color temperature: Well24™ Tech 2200K

Luminous flux: 340lm

Wattage: 4W

M/P ratio: 0.294

Beam angle: 160°

CRI: 85+

Size: \varnothing 154 x H165mm

Weight: 868g

Ingress protection code: IP65 & IK08

Main material: Aluminum

Battery capacity: Lithium battery 10000mAh / 8hours (full power)

Input: Type-C DC 5V 2A

Charging time: 8hours

Life time: 50000hours

Thank you for choosing the Yuji Lighting product, we are committed to providing the ultimate lighting experience, and it comes true thanks to our state-of-art LED technology. Please feel free to contact us if you would like to learn more about our products and service.
