**HI!  
WE'RE  
TAY HAM**

# AN INDEPENDENT GREETING CARD COMPANY BASED IN WILMINGTON, NORTH CAROLINA.

Featuring bold designs, clever wordplay and pop culture-related content, we have a card for every life event and un-occasion. We specialize in belly laughs, rock babes, secret jokes between friends, guacamole, and above all keeping it real. Hand illustrated and branded with a signature flip-side design, TAY HAM is the best way to say whatever.

# OWNER AND ARTIST TAYLOR HAMILTON,

is a native New Yorker and has  
been chasing paper since she was just a  
young babe wishing on stars  
for envelopes.

# THE DETAILS

## ARE YOU SEARCHING FOR A STATIONERY BRAND THAT'S NOT SO COOKIE CUTTER?

At Tay Ham we don't believe in molds. We believe the greeting card experience should be completely original. That's why our **ILLUSTRATIONS** are hand drawn, our one of a kind **FONTS** can't be found on the Internet, and why our

personalized **FLIPSIDE** keeps the laughs rolling just when you think you're done. We know cute greeting cards aren't hard to find these days, but it's the details that make us Tay Ham – the best way to say whatever.
