# MEET DALE

A Jamaican-born comedian and actor, Dale Elliott Jr.'s charismatic personality and viral comedic skits have gained him over 20 million monthly views on social media. His critically-acclaimed turn as lead of the 2020 coming-of-age film, *Sprinter*, would see him further propelled into the spotlight as one of most promising talents of his generation.

**WHERE THE VOICE IS REAL  
AND THE REASONING IS RAW.**

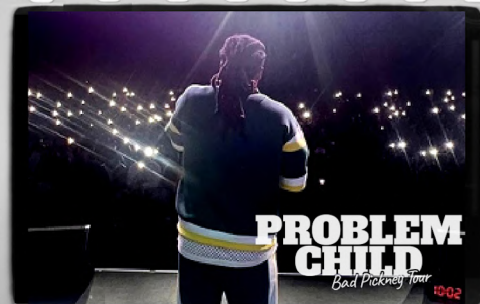

Dale continues to expand his media presence showcasing his unique perspective on the culture with the *Dale Elliott TV* podcast. Now at the helm of his own production company, DElliott Entertainment, 2023 will see him hit stages nationwide as he headlines his first stand-up comedy tour *Problem Child: Bad Pickney Tour*.

## PROBLEM CHILD

**BAD PICKNEY TOUR**

Dale Elliott Jr. is taking his comedic talents from screen to stage with his stand-up comedy debut, Problem Child: Bad Pickney Tour. Before his breakout in the award-winning 2020 coming-of-age film, "Sprinter," Dale's hilarious and relatable sketches about growing up Jamaican on social media platforms like Vine and Instagram had already made him a household name within the Caribbean diaspora and beyond.

These experiences have laid the foundation for Problem Child: Bad Pickney Tour, an energetic and playful recounting of his epic childhood trauma that promises non-stop laughter for audiences nationwide.
