Hartan

Your most precious little ones deserve the best!

A Hartan pushchair is extremely special, right down to the last detail. Hartan products are not only free from pollutants but meet the highest safety standards, whilst providing optimum comfort for both you and your little one.

Hartan is a family-run company and has been now for four generations.

All of our pushchairs are developed and manufactured entirely in Germany.

With state-of-the-art manufacturing technologies and certified quality management, Hartan creates first-class premium products. Every Hartan product embodies the experience and expertise of our entire team: Pioneering technology solutions, practical equipment details and excellent designs for all tastes. A Hartan pushchair keeps your little one safe and secure from day one.

Sustainability – made in Germany.

All Hartan production is carried out in Germany, which avoids sea freight. This helps make the world a better place for little ones by using shorter transport routes and, therefore, less CO₂ emissions.

Sustainability is also a top priority in the choice of our stroller materials. This includes using our recyclable, innovative material solight ecco®, which all wheels of Hartan strollers are made from, characterised by durability and excellent cushioning and running properties.

Quality stands out!
Member of the TÜV
Thüringen e. V.

All Hartan models are according to the latest EU standards and tested:
DIN EN 1888-1:2022-09
DIN EN 1888-2:2023-02
DIN EN 1466:2015-02

Selection

A CLASS OF ITS OWN!

THE SELECTION COLLECTION - A CLASS OF ITS OWN!

Style, exclusivity and diversity - the Selection Collection combines six superb designs with over ten model variations. All models of the Selection Collection are equipped with leather-look handle covers, double-stitched seams, and a shopping basket in a matching design. The Selection series meets the highest quality standards and promises to produce the best for your precious possessions. We offer a full 3-year guarantee. The lining is made of 100% certified organic cotton. High-quality details such as the leather-look patch and the quilting in the fabric round off the design. Discover the wide range of models and find the Selection pushchair that suits you and your life perfectly. The Selection Collection with matching accessories is available exclusively from selected specialist retailers.

Hartan

The new Mercedes-Benz pushchairs from Hartan – dynamic, innovative, functional

The successful cooperation between Mercedes-Benz and the German family-owned company Hartan began five years ago. Hartan, from Franconia, has been producing high-quality pushchairs “Made in Germany” since the 1950s. Like Mercedes-Benz, Hartan stands for innovation, comfort and safety with that unique sporty character. Hartan’s interior designs are made of certified organic cotton, which is simply the best for your little one. The aluminium chassis is exceptionally light and, combined with the ergonomic seat unit, offers total comfort alongside unique stability and manoeuvrability. Hartan pushchairs incorporate all the technical experience from four generations of German pushchair development and production. Their new pushchair collection with the models ALL-TERRAIN GTR, AVANTGARDE GTS/GTX, PERFORMANCE GTS/GTX and AMG GT² Demonstrating not only an eye-catching look, the AMG GT is developed in close coordination with the Mercedes-Benz design department but also with superior functionality and excellent workmanship.

Like all Hartan products, the Mercedes-Benz and Mercedes-AMG pushchairs meet the very highest standards in material selection and manufacturing quality. Additionally, they are also subject to certification by TÜV.

MERCEDES-BENZ FEATURES

Vegan Leatherette - modern lifestyle, uncompromising quality and a product without animal components. Our leatherette looks like leather but is far superior. Thanks to its high-tech fibre, it is not only incredibly hard-wearing but - unlike leather - it is also pleasantly breathable. For outstanding seating comfort and exceptional durability.
