PRECAUTIONS

Before using the cart:

1. The pin on the grid is securely engaged with the hole on the foot pedal.
2. The hand bar rotation locker and handle bar sliding locker is locked
3. The brakes on both rear wheels are released.

4. Don't exceed the load Limits: Big Bag: MAX 25KG ALONE | MAX 45KG ON CART Bottom Storage: MAX 3KG

5. Balance: Try to distribute the weight of things loaded to the cart as evenly as you can, so that it always stays stable when you move the cart.

6. Always use both hands to push the cart when moving.

7. Always park the cart on flat ground and use two brakes on the rear wheels stop the cart from unintentional movement

8. Don't use the cart to take baby or pet anytime.
