

K1 lectern

Modern lecterns - now for you

Modernize your image and enjoy

The K1 offers the unrivaled asymmetric look only great designs can achieve. All aluminum construction, strong, appealing and yet highly functional, the K1 lectern is truly a centerpiece.

This is a perfect podium for giving conferences, public presentations or speeches. Simple to use, lots of nice options. (Assembly required).

(shown with LED reading light available as an option)
