Equipped with Full Spectrum Quartz/magnesium dual technology covering the entire infrared spectrum for gentle treatment of the epidermis or deeper subcutaneous penetration, the Purewave infrared sauna has many attractive features.

With its abachi wood benches and headrests, its Dual Healthy panels ideally located for use by several persons and its superlative equipment, it is an exceptionally elegant structure that will enhance your lifestyle every day

At Holl's, we think that a sauna should be as fully equipped as possible. We have provided all our infrared cabins with Dual Healthy technology. So the user has the choice of Full Spectrum Quartz or magnesium technology just by pressing one button.
