

## NAVEE S65 (DE version)

### Powerful direct motor

The powerful direct motor, with a peak power of 900W, delivers exhilarating acceleration. Climbing angel up to 25%.

### Max range up to 65KM

S65's high-capacity battery and advanced energy management system ensure optimal performance, with max travel distance up to 65KM.

### IPX5 water resistance

IPX5 waterproof rating is designed to withstand all kinds of weather conditions.

### Multi-functional high-definition display

The multi-functional display provides you with a user-friendly and convenient way to monitor your riding status.

### High-load capacity

NAVEE S65 scooter can support a maximum load of 120kg, making it suitable for a wide range of riders.

### Dual suspension system

NAVEE's industry-leading front and rear dual suspension system is engineered to deliver unmatched comfort and stability on any terrain.

### 10inch self-sealing tubeless tire

The 10inch self-sealing tires ensure excellent shock absorption and durability. The jelly layer prevents puncture without maintenance.

### Fast folding in 3 steps

Innovative folding design for a minimalist appearance, convenient storage, and more stability.

### Smart APP

One-click to unlock more functions and to check the riding data: riding information, scooter error, and remaining mileage.

### Professional BMS

Scientific algorithm of Battery Management System. 36 high level strict tests to ensure riding safety.

SPECS			
Weight	24.3kg	Capacity Battery	48V 12.75Ah
Dimensions	1226x551x1264mm(unfolded)	Charging Time	6-7h
	1226x564x539mm (folded)	Max Range	65KM
Rated Power	450W	Max Payload	120kg
Max Power	900W	Water Resistance	IP55
Max Speed	20KM/H	Brakes	Drum brake at front wheel, E-ABS system at rear wheel,
Climbing Angle	25%	Turning Light	No
Riding Modes	Walking (6km/h)/ D(15km/h)/Sport (20km/h)		
Package Contents	Electric scooter, Battery charger, Allen Key
