

Cetilar Patch

Relieving patch using Cetylated Fatty Acids (CFAs)

Usage: Cetilar® Patch is a patch that, thanks to its formulation, is an adjuvant for skin treatment useful for temporary relief of minor aches.

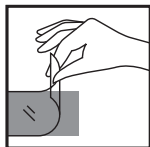

HOW TO USE:

PUT OUT

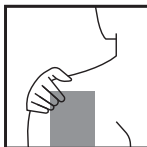

1. Open the pouch and take out the patch.

REMOVE

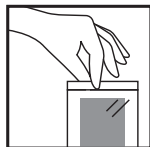

2. Remove the protection paper through the easy opening at the centre.

APPLY

3. Make sure the skin is clean and dry before applying. Press lightly onto skin and ensure that the edges are sticking to the skin. Keep in situ for 8 hours.

PUT AWAY

4. Close the pouch again with the minigrip system.

The product can be applied repeatedly throughout the day, leaving the skin exposed to air for a short period of time between applications to prevent sensitisation. Patches are for single use only, not suitable for reuse.

INGREDIENTS: Cetyl Myristate, Cetyl Oleate, Cetyl Linoleate, Cetyl Palmitate, Cetyl Stearate, Cetyl Palmitoleate, Cetyl Laurate, acrylate copolymer, menthol.

WARNINGS: Keep out of the reach and sight of children. For external use only. The product should only be applied to intact, clean and dry skin. Avoid contact with mucous membranes, eyes and mouth, if necessary, wash abundantly with water. Remove the patch during bathing/showering. If apparent signs of irritation or hypersensitivity to the product occur, discontinue use. Do not use in case of known hypersensitivity to the components. Do not ingest. Store in a cool, dry place, between 41°F and 104°F. Do not use the product if the packaging is damaged. Do not use after the expiry date. Do not use Cetilar® Patch concurrently with other topical treatments on the area to be treated, without first consulting your physician. In case of pregnancy and breastfeeding, consult your physician before using the product. For use in children under 12 years of age, consult your physician before using the product. Stop use and ask a doctor if condition worsens, if symptoms persist for more than 7 days or clear up and occur again within a few days.

PACKAGING: An unopened package of Cetilar® Patch contains a resealable pouch containing 5 single-use patches.

EXTERNAL USE

Batch and expiry date:
see bottom of package.
