

BLACKMAN CRUZ

WORKSHOP *LOS ANGELES*

CARE INSTRUCTIONS

THANK YOU FOR YOUR RECENT PURCHASE FROM OUR BC WORKSHOP COLLECTION. THE ENTIRE BC WORKSHOP SERIES IS DESIGNED AND MANUFACTURED IN LIMITED QUANTITIES IN LOS ANGELES BY LOCAL ARTISANS. EACH PIECE IN OUR COLLECTION IS INDIVIDUALLY CRAFTED. AS A RESULT, SLIGHT VARIATIONS IN PATINA, FINISH AND GRAIN MAY OCCUR.

SKULL TABLE LAMP, NICKEL

NICKEL-PLATED BRONZE
LACQUERED WOOD BASE
WITH PONGEE SILK SHADE
27"H X 13"W X 10"D

CLEANING INSTRUCTIONS FOR NICKEL-PLATED BRONZE

NICKEL-PLATED BRONZE PRODUCTS ARE SENSITIVE TO MOISTURE AND DIRECT HEAT. AVOID PLACING PRODUCT IN DIRECT CONTACT WITH HEATING VENTS, INTENSE DIRECT SUNLIGHT OR AREAS EXPOSED TO MOISTURE OR DENSE HUMIDITY. NICKEL-PLATED BRONZE CAN BE CLEANED AND MAINTAINED WITH LUKEWARM WATER AND A MILD DISHWASHING DETERGENT SUCH AS DAWN. AVOID PRODUCTS OR SOAPS CONTAINING ANY BLEACH OR SCRUBBING, ABRASIVE CLEANSERS. USE A SOFT CLOTH, DAMPEN IN SOLUTION TO GENTLY REMOVE ANY DIRT OR DEBRIS BEFORE CLEANING. ONCE CLEANED, USE A SOFT CLOTH TO DRY AND POLISH BRONZE.

CLEANING INSTRUCTIONS FOR LACQUERED WOOD

WOOD CAN BE CLEANED WITH A MICROFIBER CLOTH. IF YOU DESIRE A DEEPER CLEAN, USE A PRODUCT SUCH AS PLEDGE. DO NOT USE WATER OR DETERGENTS, AS THESE ELEMENTS WILL LEAVE A RESIDUE. NEVER USE AN ABRASIVE PRODUCT, SCRUBBING BRUSH OR BLEACH-BASED CLEANER TO CLEAN LACQUERED WOOD AS THESE MATERIALS WILL SCRATCH THE FINISH AND REMOVE THE PROTECTIVE COATING.

ALL PRODUCTS ARE CONSIDERED TO BE IN GOOD CONDITION AND ERROR-FREE WHEN DELIVERED. CLIENT SHOULD INSPECT ALL DELIVERIES IMMEDIATELY UPON ARRIVAL, AND SHOULD MAKE NOTE OF ANY DAMAGE WHEN SIGNING FOR THE PRODUCT DELIVERY.

ALL BC WORKSHOP PRODUCTS CARRY A ONE-YEAR WARRANTY. IF CLIENT FINDS A MATERIAL DEFECT IN ANY PRODUCT, PART OR COMPONENT WITHIN ONE (1) YEAR OF PURCHASE, PLEASE CONTACT BLACKMAN CRUZ. BLACKMAN CRUZ WILL NEED TO DETERMINE IF CARE, MAINTENANCE, INSTALLATION AND OTHER FACTORS CONTRIBUTED TO PRODUCT DEFECT.
