

# CLENZ O<sub>2</sub> CRETE™

PRO 20

## PRODUCT DESCRIPTION

Clenz-O<sub>2</sub>-Crete Pro-20™ is a scientifically formulated masonry surface cleaner and restorer. Clenz-O<sub>2</sub>-Crete Pro-20™ was designed to work with mother nature to clean and restore masonry surfaces without pressure washing. Clenz-O<sub>2</sub>-Crete Pro-20™ contains no bleach and leaves no toxic residue. Clenz-O<sub>2</sub>-Crete Pro-20™ needs no scrubbing and will not harm plants or grass under normal use.

## DIRECTIONS

**Personal Protective Equipment:** Wear safety goggles and gloves when applying Clenz-O<sub>2</sub>-Crete Pro-20™.

**Preparation:** Remove any loose dirt or debris from surface before applying Clenz-O<sub>2</sub>-Crete Pro-20™.

**Mixing the Activator:** Prior to application, add the liquid activator to the Clenz-O<sub>2</sub>-Crete Pro-20™ solution. Stir or gently agitate mixture for a few minutes. If mixed in Clenz-O<sub>2</sub>-Crete Pro-20™ container, DO NOT REPLACE CAP AFTER MIXING. Use mixed product within 10 hours.

**Application:** Using a plastic garden sprayer, apply activated Clenz-O<sub>2</sub>-Crete Pro-20™ solution, liberally, on to the surface to be treated. That's it, let mother nature do the rest. Within a few hours, the black organic staining will turn brown and over the next few weeks all staining will disappear.

To remove oil and grease stains, use Greenflow's Orange Blast™.

**Coverage Rate:** 1-gallon / 200 sq. ft.

## FOR USE ON

- Concrete
- Stucco
- Clay tiles
- Brick
- Block
- and other masonry surfaces
