

LIFE FORCE[®]

TRICHO-SHIELD[™]

Beneficial fungi for improved plant health.

Three beneficial fungal species to improve the balance between desired and undesirable microorganisms on the leaf surface and in the soil. These species also promote plant and root growth.

BENEFITS

- Root-zone balance is coupled with plant growth promotion associated with *Trichoderma* metabolites.
- Seed & seedling treatment creates a favourable growing environment with a variety of plant health benefits.
- Tricho-Shield[™] can be applied to seeds, transplants, bulbs, cuttings, grafts and established crops.
- A powerful probiotic.

PACKAGING: 200 g

Product Code: LFTS-200

Tricho-Shield™

APPLICATION RATES

- Add 1 teaspoon to a 9 L watering can. 9 L covers approximately 4 m².
- Agitate throughout application.
- Can be applied to both foliage and soil.
- Repeat monthly.

INSTRUCTIONS

- This product requires sieving when applied with sensitive spray equipment. Prior to application, mix Tricho-Shield™ with water to make a slurry. Stand for 1 hour, screen, then add to fertigation or spray tank.
- Ensure compliance with your quality assurance code of practice regarding the use of microbial products before use.

IMPORTANT

Keep out of reach of children. Contains live organisms. Do not mix with pesticides or toxic chemicals. While handling and applying microbial products protective clothing, gloves and face masks should be worn. Store in a cool, dry place, preferably refrigerate. Do not freeze.

STORAGE & HANDLING

Immuno-compromised persons (e.g. those undergoing chemotherapy) should not handle or be exposed to microbial products. While handling and applying microbial products protective clothing, gloves and face masks should be worn. Contains live organisms. Avoid aerosols generated by aeration. Store in cool, dry place away from sunlight and below 30°C (preferably under refrigeration). Use as soon as possible after opening but if this cannot be achieved then refrigerate remainder immediately after use and use within 3 months. Contamination of contents may occur at any time after opening and NTS takes no responsibility for opened product not used immediately. DO NOT FREEZE.

Disclaimer: Any recommendations provided by Nutri-Tech Solutions Pty Ltd (NTS) or its Distributors are advice only. As no control can be exercised over storage, handling, mixing, application or use, or weather, plant or soil conditions before, during or after application (all of which may affect the performance of our program), no responsibility for, or liability for any failure in performance, losses, damages, or injuries (consequential or otherwise), arising from such storage, mixing, application, or use will be accepted under any circumstances whatsoever. NTS recommend you contact an Agronomist prior to product application. The Buyer assumes all responsibility for the use of any NTS products.
