Travel Pack

Seaweed Soap-Free Cleanser

concentrated, soothing cleansing gel

Enjoy gentle, deep cleansing with plant extracts & essential oils. Papaya extract helps lift impurities & dissolve dead skin cells to refine & soften skin texture. Yucca extract, high in naturally cleansing saponins, combines with seaweed & elderberry extracts to further purify and condition the skin. Phyto-active aloe & panthenol help the skin maintain superior hydration. Essential oils of geranium, lavender, lemon & spruce further cleanse and purify while blue tansy soothes & comforts skin.

Recommended use: Apply a warm, damp cloth to your face to relax pores and help lift impurities. Pump a pearl sized amount of cleanser into the palm of your hand. Add a small amount of water to activate cleansers. Smooth over face and neck. Remove with a warm wash cloth or by rinsing with warm water.

Vanilla-Tea Toner

soothing, hydrating toner

Enjoy superior hydrating and toning properties along with a delightful aroma. The unique water-soluble components in neroli and rosewater help soothe, soften and smooth the appearance of fine lines. Panthenol (provitamin B5) and MSM promote skin repair and enhance hydration. Seaweed and aloe extracts are superior tonics rich in trace minerals and amino acids which help revitalize and detoxify your skin. Green tea extract is a powerful antioxidant which helps diminish the signs of aging. Vanilla extract along with geranium, frankincense and mandarin essential oils further purifies, tones, and rejuvenates your skin.

Recommended use: Suitable for all skin types. Use as a primer for your moisturizer. May be re-applied during the day to refresh and moisturize the skin.

Advanced C-Serum

repairing, refining, protecting, line erasing

Improve the appearance of fine lines while helping restore your skin's natural glow. Nourish, repair, protect, and preserve the appearance of your skin with a highly-charged formula of the most potent and trusted antioxidants.

This unique serum contains the highest possible percentage of synergistic, active ingredients.

BV-OSC® is a unique, stable form of active Vitamin C which has been shown to improve collagen synthesis. Vitamin E helps protect, repair, and restore damaged skin. Vitazyme® A Plus is a patented form of vitamin A derived from carrots. It is an anti-aging skin conditioner which dramatically improves the appearance of your skin without the irritation and toxicity of retinol.

Mimosa, green tea, calendula, licorice and grapeseed extracts help slow the appearance of aging while minimizing damage at the cellular level. Their phyto-nutrients nourish skin and help repair the appearance of aging, damaged, or problem skin.

Recommended use: For all skin types. For best results, apply twice daily. After cleansing and toning, apply a generous amount of Advanced C-Serum to the face and neck and let set until absorbed. Top with Dermacalm Intensive Night Creme at bedtime. Gentle enough to be lightly applied under eye area and to lips.

Dermacalm Intensive Night Creme

nourishing, regenerative & smoothing

This nourishing anti-aging complex deeply hydrates and plumps your skin overnight so you can wake up each morning to smooth, glowing skin.

Neroli and rosewater help smooth fine lines while calendula, licorice, and oat beta glucan reduce the irritation your skin was subjected to during the day.

Hyaluronic acid, BV-OSC®, Vitazyme® A Plus, and sandalwood essential oil work together to deeply hydrate while smoothing the appearance of fine lines to dramatically improve the tone and texture of your skin.

A special blend of amino acids, phospholipids and squalane from olive oil gives your skin the building blocks it needs to repair and restore itself overnight.

Recommended use: For all skin types. Before retiring to bed, cleanse, tone, apply C-Serum, and then finish with a generous amount of Dermacalm Intensive Night Creme applied to the face and neck.

Dermacalm Body Butter

soothing, hydrating, protecting

Head-to-toe skin soothing treatment with a synergistic blend of aloe, primrose, jojoba, calendula, oat, lavender, sandalwood, vetiver, spearmint & blue tansy. Soothes, calms, comforts and protects sensitive, irritated, and problem skin.

Recommended use: For all skin types. Apply to skin as often as needed. May also be applied to delicate areas to soothe and protect skin.
