

Decontamination declaration for returned goods

Trajan Scientific and Medical is committed to protecting your privacy. The personal information which you provide to us will be collected, processed, used and stored in accordance with our privacy and security policy published on our website www.trajanscimed.com.

The completely filled in decontamination declaration is the prerequisite for the acceptance and further processing of the returned goods. If the return is not accompanied by a corresponding decontamination declaration, Trajan Scientific and Medical* reserves the right not to proceed with the service. Please complete one declaration form per returned part number.

Please complete in **BLOCK LETTERS**.
