

Discontinuation of SGE HT5 aluminum clad GC capillary columns

19 March 2018

Dear Customer

This information relates to ongoing delays in the manufacture and supply of SGE HT5 aluminum clad GC capillary columns.

The performance of this column during manufacture is not achieving the required standards. The decision has been taken to discontinue the parts below. There is no alternative offering to the SGE HT5 aluminium clad GC column range.

Discontinued from 20 June 2018

Part number	Part description and detail
054673	5 m x 0.53 mm x 0.075 µm HT5 GC column (aluminium clad)
054661	6 m x 0.53 mm x 0.1 µm HT5 GC column (aluminium clad)
