

## Accessories | Terry Tool tubing cutters

Terry Tool tubing cutters are cutting wheels for precise cutting of 1/16" and 1/8" stainless steel tubing.

### Features and benefits

- Clean, right angle cuts with minimal burring or chipping of the tubing.
- No additional reaming or deburring is required.

### Recommended applications

Cutting 1/16" and 1/8" stainless steel tubing.

### Product specifications

Two types of cutters available, for either 1/16" or 1/8" stainless steel tubing. Spare cutting wheels are available.
