High Performance Bedding Protection To Meet A Complete Range Of Needs

MATTRESS PROTECTORS

Fully Encasing, All-In One
Waterproof & Bug-Proof

The *fully encasing mattress protectors* provide an all-in-one waterproof and bug-proof barrier. The mattress protector completely encloses your mattress to protect your family from bed bugs, dust mites and allergens. And the durable, quiet, comfortable fabrics are also waterproof to protect your mattress against stains and spills. All mattress protectors feature a premium EZ-Zipper that stays together. They fit mattresses up to 14 inches thick. Machine wash with hot water and tumble dry on low heat. Include linens and/or towels in the washer and dryer loads for best results.

ULTIMATE

Our **ULTIMATE** protector features a top made of plush jacquard knit fabric that offers exceptional comfort and protection. The extra absorbent surface helps keep liquids from running off the mattress onto carpet or flooring. The sides and bottom are a knit poly coated material.

PREMIUM

The **PREMIUM** protector features a top made from densely woven microfiber fabric laminated with a poly coating. The sides and bottom are knit poly coated material. This combination offers long lasting protection for you and your mattress.

STANDARD

The top, side and bottom panels of the **STANDARD** protector are constructed from a durable knit, poly coated fabric. This soft and quiet material offers excellent protection and value.

MATTRESS COVERS

Fitted, Waterproof & Stain Proof

The *fitted mattress covers* provide a water, stain and spill proof barrier that is durable, quiet and comfortable. The elasticized sides on all mattress covers allow adjusting for a snug fit on any mattress up to 14 inches thick. The easy to install, and easy to remove, cover can be machine washed. Wash with hot water and tumble dry on low heat. Include linens and/or towels in the washer and dryer loads for best results.

ULTIMATE

Our **ULTIMATE** cover top is made of plush poly coated jacquard knit fabric for exceptional comfort and protection. The absorbent surface helps keep liquids from running off the mattress onto carpet or flooring. The stretch knit sides are fully elasticized to provide a snug fit.

PREMIUM

The **PREMIUM** cover features a densely woven microfiber fabric top that is laminated with a poly coating. Fully elasticized stretch kit material is used for the cover sides. This combination offers long lasting protection for your mattress.

STANDARD

The **STANDARD** mattress cover top is constructed from a knit fabric that is laminated with a waterproof poly film and the stretch knit fully elasticized sides provide a snug fit. This material offers value and long lasting protection for your mattress.

ZIPPERED PILLOW COVERS

Fully Encasing, All-In One
Waterproof & Bug-Proof

The *ProtectEase pillow covers* provide all-in-one protection for your family by completely enclosing your pillow to keep it free of bed bugs, dust mites and allergens. The durable, waterproof fabrics also protect the pillow against stains and spills. Machine wash with hot water and tumble dry on low heat. Always include linens and/or towels in the washer & dryer loads for best results.

ULTIMATE

Our **ULTIMATE** pillow cover features plush jacquard knit fabric with poly coating. The extra absorbent surface helps contain liquids. This zippered, fully encasing cover provides exceptional comfort and long lasting protection.

PREMIUM

Our **PREMIUM** pillow cover is constructed from densely woven microfiber fabric that is laminated with a poly coating. It will protect against stains and spills and keeps your pillow free of bed bugs, dust mites and allergens.

STANDARD

Our **STANDARD** pillow cover is made from a durable knit fabric laminated with a poly coating. This soft and quiet material offers excellent protection and value.
