ABOUT US

Brajak Vitberg is an art and design studio,
founded by two architects from Ljubljana, Slovenia in 2018.

We are striving to design craft elements and make them
timeless through experimental designing process.

The studio creates a range of products from handmade and
limited small series to one piece unique products,
inspired by materials and forms that create incomplete perfection.

A photograph of a pool deck. On the left, there is a swimming pool with clear blue water. The deck is made of light-colored stone tiles. In the center, there is a large, oval-shaped rug with a colorful, abstract pattern in shades of purple, teal, and grey. A glass table leg is visible on the right side of the rug. The text "BRAJAK VITBERG" is overlaid in the center of the image.

A photograph of a muscular man leaning over a stone ledge by a swimming pool. The man is shirtless, and his body is glistening with water. He is leaning forward, with his right hand resting on the stone ledge. The background is a clear blue swimming pool. The text "BRAJAK VITBERG" is overlaid in the center of the image in a white, serif font.
