vive* **Ice Therapy** Machine

RHB1049GRY

Providing cool, soothing relief for post-surgery, swelling, inflammation, joint pain, and post workout recovery, the Vive Ice Therapy Machine is designed for ease of use. The quiet system holds up to 6 litres of ice water and features five rates of continuous flow with cycle times of 30 minutes or Quiet and compact, the machine is easily portable with an integrated carry handle.

The large, uniquely shaped therapy pad contours to the body for targeted relief. The 5 foot, foam insulated connector tube ensures the water temperature remains constant throughout the treatment cycle. Durable composite material with reinforced seams ensure long-term, leak proof use.

Specifications
