GLASSWARE

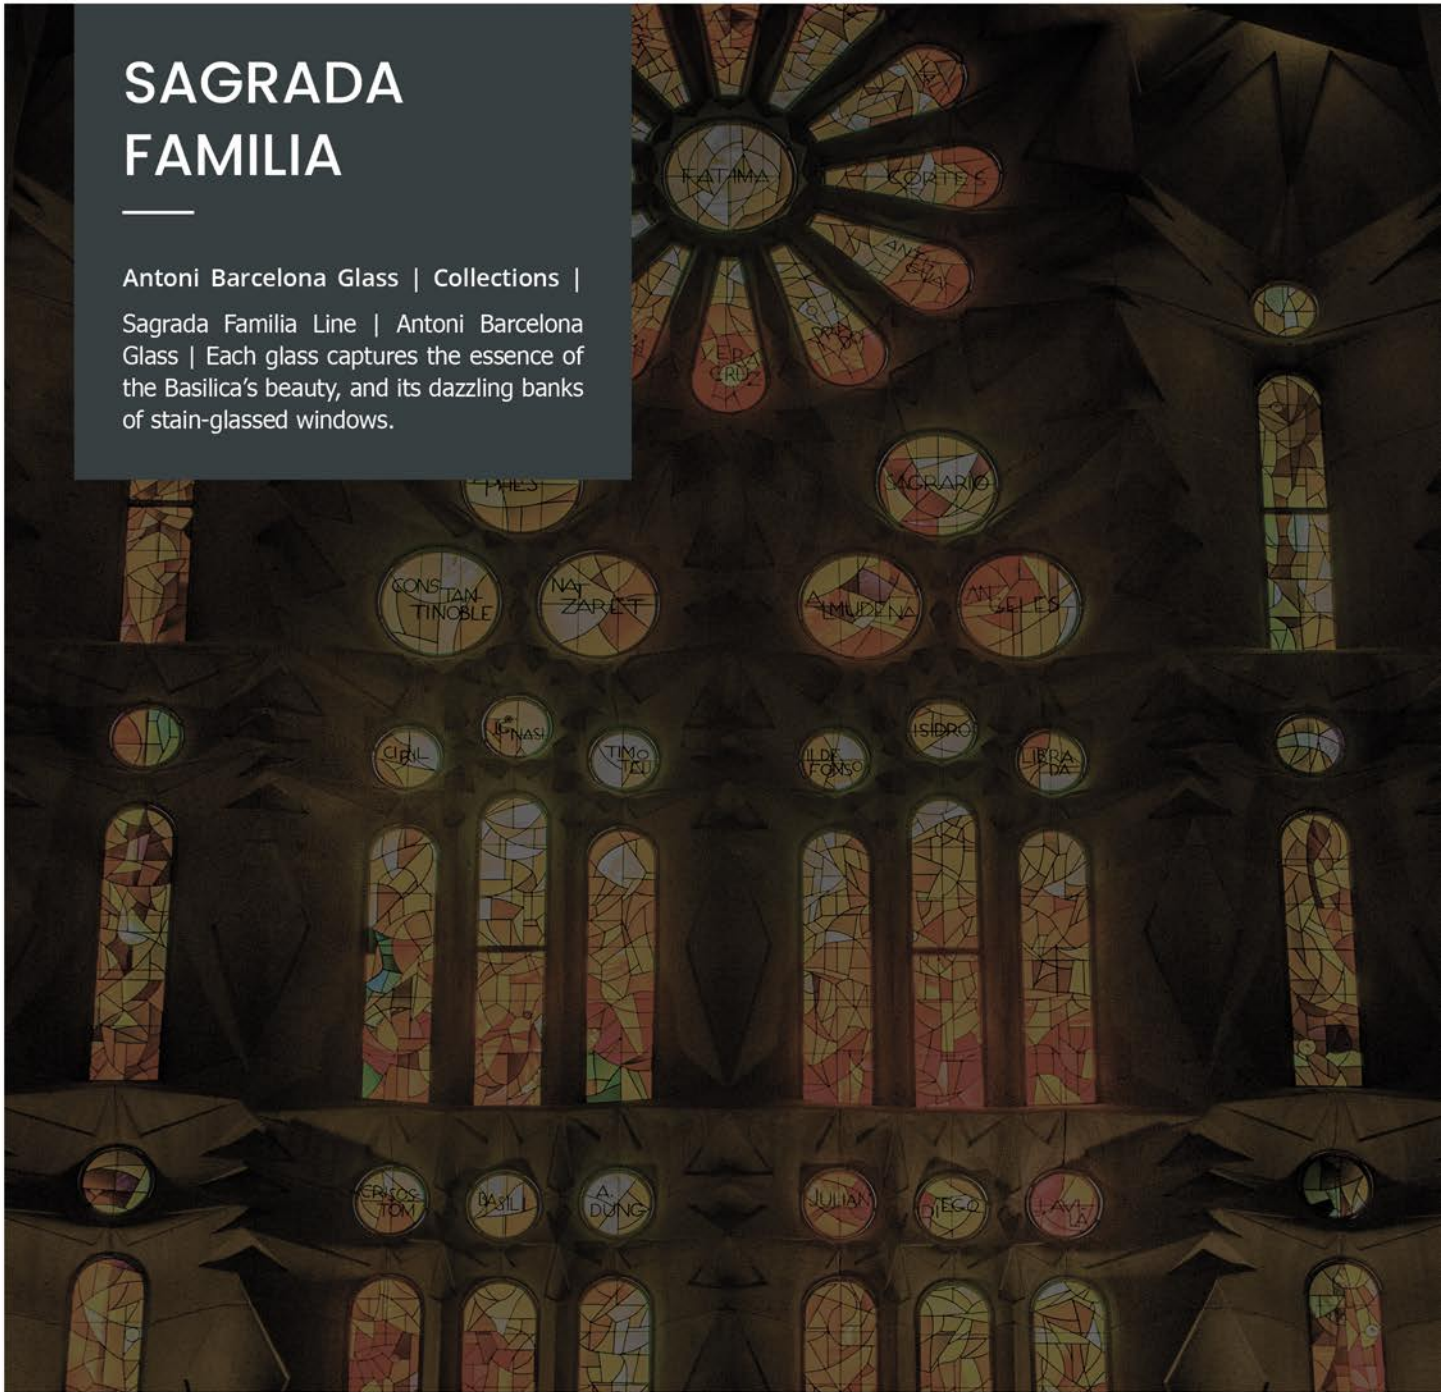

Enjoy your favourite drink with our glassware inspired by the city of Barcelona, The Antoni Gaudi's Sagrada Familia, The Waves and colors of the Mediterranean Sea, and the smell of the peace.

LUXURY INSPIRATIONAL ART

Our exclusive glassware is a unique work of art | Antoni Barcelona Glass

SAGRADA FAMILIA

Antoni Barcelona Glass | Collections |
Sagrada Familia Line | Antoni Barcelona
Glass | Each glass captures the essence of
the Basilica's beauty, and its dazzling banks
of stain-glassed windows.

Wine Glass Large Stem

Antoni Barcelona glassware is 100% lead-free and manufactured with eco-friendly practices. Each colored wine glass comes packaged in a well-protected gift box.

Standard, Exclusive & Personalized Glass

They are made by handmade and mouth-blown technic by highly experienced glass artisans. Our glasses are one of a kind because are hand painted by professional craftsman. Thanks to these methods each of our glasses are unique work of art. Antoni Barcelona glassware is 100% lead-free and manufactured with eco-friendly practices. Each colored wine glass comes packaged in a well-protected gift box.

Whiskey Bourbon Glass

Our whiskey glasses have a very distinct recognizable shape. A timeless silhouette, that you have seen countless of times in great movies. They have a wide rim and a heavy, thick bottom.

Champagne Flute

These champagne flutes have an elegant and sophisticated silhouette. They are known as a Trumpet Flute due their body has a shape that mimics the bell of the instrument. A distinct feature of these type of flute is that the bowl is much narrower and roughened point near the bottom. This allows the bubbles to congregate and increase their durability.

Martini Glass

Martini Glass have a distinct V-shaped, conical bowl. Their brim is wide allowing the nose of the drinker to get closer to the surfer of the cocktail and fully sense its scent and taste. The V-shaped bowl keeps the ingredients mixed and helps the aroma of the drink to blossom. It is essential to keep the durability of the cold temperature of these non-iced drinks.

Stemless Wine Glass

Stemless glasses are perfect for large gatherings or parties since they lack a stem. They are sturdier and fit well in your hand which makes them reliable and less likely to break than the stems on traditional wine glasses. Also, they are easy to store in your cabinets.

High Tumbler Glass

Antoni Barcelona Highball Tumbler Glass 15oz Red Line Cocktail party Drinks Hand Painted Gift. Excellent Premium Exclusive Hand Painted, crafted of fine non-leaded crystal with a sleek, modern shape, each can hold 15 ounces of your favorite drink.

Balloon Wine Glass

This wine glass has a particular large, almost balloon-shaped bowl. Thanks to its broad silhouette it helps the wine breath, it exposes the liquid to the air allowing it to oxidize and slightly changes its flavor for the better.

Wine Glass 14oz

Antoni Barcelona glassware is 100% lead-free and manufactured with eco-friendly practices. Each colored wine glass comes packaged in a well-protected gift box.

Stemless Balloon Wine Glass

Stemless balloon glasses have the best features of our stemless wine glasses and balloon wine glasses. Thanks to their lack of stem, they are sturdier and fit well in your hand which makes them reliable and less likely to break than the stems on traditional wine glasses.

Large Wine Glass

The large wine glasses have a capacity of 29 Oz making distinctly the largest wine glasses of our collection. The bowl is broad and tall which allows wine to oxygenate as you swirl it up the edge of the glass. The shape enables ethanol to dissipate on the nose and helps to reduce the effects of tannins, which causes the bitterness of the wine.

Wine Decanter

Antoni Barcelona glassware is 100% lead-free and manufactured with eco-friendly practices. Each colored wine glass comes packaged in a well-protected gift box.

Mediterrani Collection

Mediterrani Line

Antoni Barcelona Glass Blue Line

Mediterranean Sea: The colors of this collection are inspired by the incredible Mediterranean coasts and their beautiful scenery. The view of the Mediterranean is bathed in different shades of blue like the deep blue sea or the clear sky blue. In this collection, we want to convey the feeling of a summer day at a beach accompanied by a light breeze. The blue represents the crystal water dancing under the warm Spanish sun. The silver symbolizes the sea foam of the waves gently crashing against the sand, creating little sparkly bubbles.

Large Wine Glass

The large wine glasses have a capacity of 29 Oz making distinctly the largest wine glasses of our collection. The bowl is broad and tall which allows wine to oxygenate as you swirl it up the edge of the glass. The shape enables ethanol to dissipate on the nose and helps to reduce the effects of tannins, which causes the bitterness of the wine.

Whiskey Bourbon Glass

Our whiskey glasses have a very distinct recognizable shape. A timeless silhouette, that you have seen countless of times in great movies. They have a wide rim and a heavy, thick bottom. Due to their broad mouth, you can fill them with ice and whiskey of your choosing. With this broad rim, is the best way you can taste the flavors of the whiskey.

Inspired by Nature

They are made by handmade and mouth-blown technic by highly experienced glass artisans. Our glasses are one of a kind because are hand painted by professional craftsman. Thanks to these methods each of our glasses are unique work of art. Antoni Barcelona glassware is 100% lead-free and manufactured with eco-friendly practices. City Night Collection

Antoni Barcelona Glass Gold Line

The night atmosphere of Barcelona is alive and vibrant. Golden lights illuminate the streets where people gather around to spend the evening. The bustle is accompanied by a bright glow and laughter. The sound of clinking glasses toasting is the star of the night. A promising eve is approaching. The Gold Line symbolizes the glow of the golden lights of a night in Barcelona.

Familia. Sagrada Familia seems to be submerged in a golden and reddish sunset. The Red Line collection wants to capture the beauty of the stained-glass windows under the sunlight.

Whiskey Bourbon Glass – City Night

Our whiskey glasses have a very distinct recognizable shape. A timeless silhouette, that you have seen countless of times in great movies. They have a wide rim and a heavy, thick bottom. Due to their broad mouth, you can fill them with ice and whiskey of your choosing. With this broad rim, is the best way you can taste the flavors of the whiskey. Thanks to their solid, large base, helps the whiskey to open up and makes drinking very easily. They have a capacity of 12, ideal to pour ice cubes.

Champagne Flute - City Night

These champagne flutes have an elegant and sophisticated silhouette. They are known as a Trumpet Flute due their body has a shape that mimics the bell of the instrument. A distinct feature of these type of flute is that the bowl is much narrower and roughened point near the bottom. This allows the bubbles to congregate and increase their durability.

Set Shot Glasses Lighthouse

Exclusive shot glasses for unique shots in the world, blown by mouth using artisan methods and with recycled glass. Ideal for special gifts. Inspired by the work of Gaudí, our creative department is inspired by the colors of Parc Guell in the city of Barcelona in Spain.

Whiskey Glasses Blue or Black

Spirals and twists of color bathes the glasses creating a mesmerizing design. They have a wide rim and a heavy, thick bottom. Due to their broad mouth, you can fill them with ice and whiskey of your choosing.

Whiskey Glass Gaudi's Trecadis

These whiskey glasses are totally hand made by the artisanal mouth-blowing technique. This method dates to the first century and it was invented by the craftsmen in the regions of Sidon, Aleppo, Hama, and Palmyra. Our artisans preserve this traditional technique to create these magnificent glasses, making them different and unique from each other.

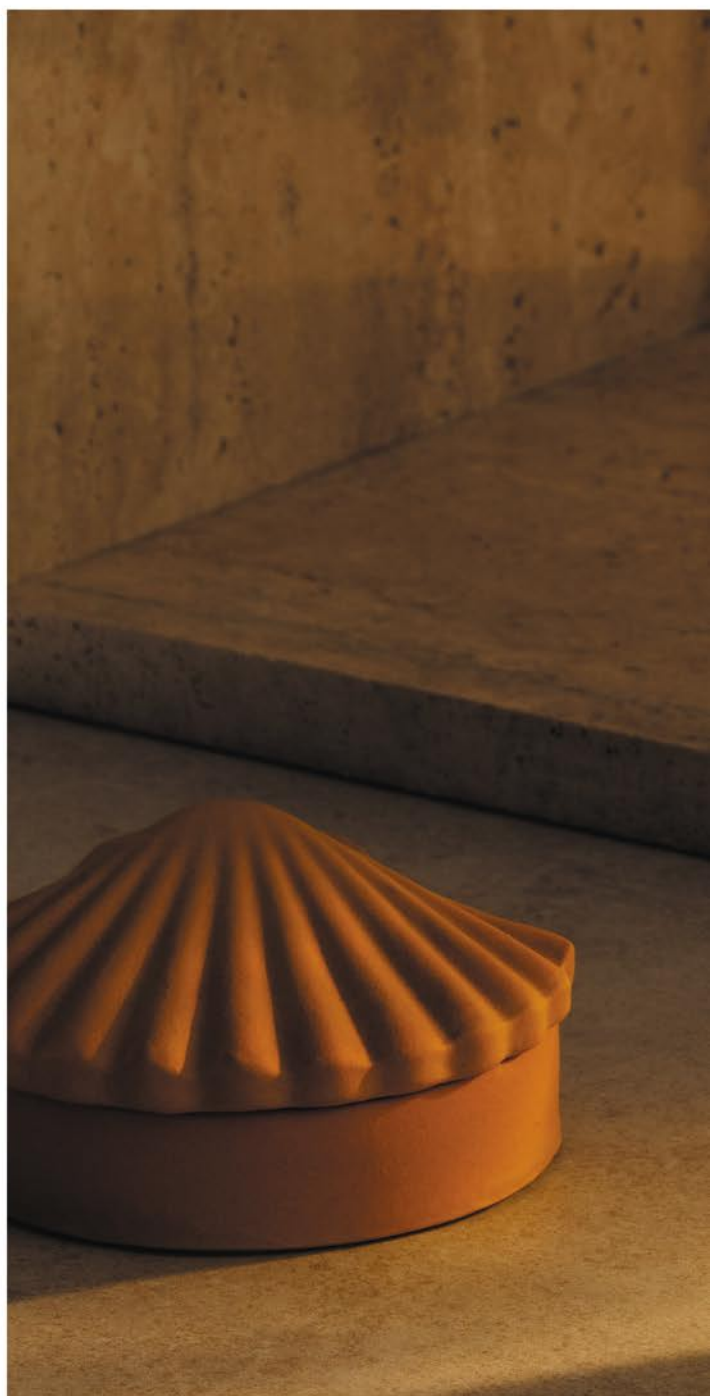

Mallorca Is Light!

ANTONI BARCELONA is quality

From our factory in Spain, we have opted for a new exclusive style, creating a unique glass in the world, great rigidity, powerful, heavy and high hardness at the same time beautiful and exclusive, designed to feel powerful in a moment of relaxation, delighting our drink.

To create this new line from ANTONI BARCELONA we use recycled glass. In this way we help our planet, we give new life to a material that is easy to recycle and shape. With that we give way to some incredibly unique glasses.

Water Tumbler White, Yellow, Orange and Blue

Set Shot Glasses Lighthouse

Exclusive shot glasses for unique shots in the world, blown by mouth using artisan methods and with recycled glass. Ideal for special gifts.

Jorge Lorenzo Collection

Ambassador Of Antoni Barcelona's Brand

When he was just six years old, he won the Balearian Championship, which was his first time in an official competition. He alternated "micro-cross" with trial. In 1997 he had already won eight autonomous championships in motocross, trial and speed modalities. In the same year, he made his debut in Copa Aprilia Caja Madrid of 50cc. and Dani Amatriain became his manager.

At the age of 13, he had to ask for a special permit to participate in the Spanish Speed Championship, the Federation granted it to him and only a year later he was fourth in the 125cc category and in the European Championship.
