Embrace Colour

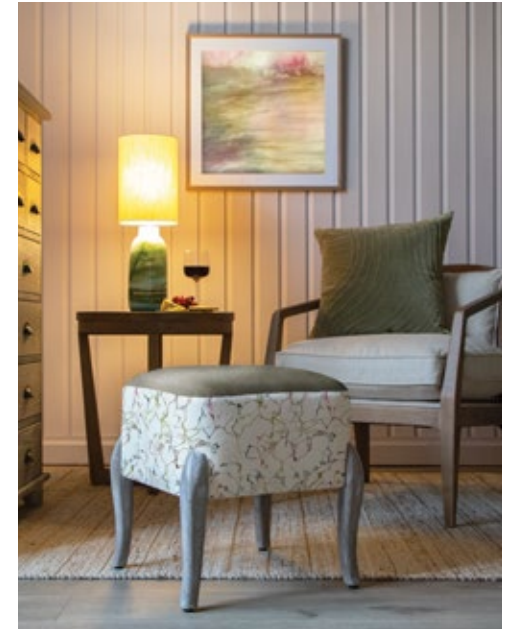

Introducing the vibrant world of **Voyage Additions**, a collection bursting with the beauty of colour. Explore the rainbow as you follow our adventure into the varied constructions of our new plains and the blended tonal colours of our patterns. Dream of blue, green, pink or purple? Allure yourself to create a harmonious space for your every colourful mood. Feel serenity with our sea blues or joy with our sunshine yellows. Dive deep into our delicate blanket stitch, luxurious embroidered quilted cotton velvets, stunning hand-stitched techniques and tonal printed linen patterns. The magical journey to the end of the rainbow awaits.

Additions

Voyage Additions presents a spectrum of emotions through colour. From tranquil blues to lively greens, lush berries, sunset oranges, golden yellows, delicate silvers, and calming neutrals, each palette tells a unique story.

Seaside Elegance

Showcasing our Coastal Range: a fresh take on British coastal style. Dive into cobalt and seafoam tones, with pattern-filled crustaceans capturing marine magic. Hand-dyed loop trims add authenticity, while digital printing on bright white and natural fabrics offers a modern touch. Classic yet innovative, it is British coastal living reimaged with an abstract flair.

Coastal

A mesmerising palette of cobalt and seafoam tones washes over this collection, evoking the soothing tranquillity of coastal waters.

Desert Beauty

Step into a world of mesmerizing kilim-inspired patterns and breathtaking desert landscapes with **Dakota**. This incredible new collection features an inviting palette of captivating sky blues, lush grass greens, and soothing sandy neutrals. Encapsulating the very essence of snug cabins and expansive rural landscapes, each design flawlessly blends classic geometric motifs with awe-inspiring nature.

Dakota

Drawing inspiration from the vast Midwestern scenery, Dakota incorporates soft watercolour strokes and textural patterns onto our natural slub fabric. The resulting visual tapestry evokes a sense of serenity and tranquillity, reminiscent of vast prairies under open skies. The subtle blend of watercolour hues on the slub fabric brings a harmonious balance between the tranquil earthy tones and pops of refreshing sky blue.

Dakota

At the core of our **Dakota Collection** is an earth-toned focused palette adorned with touches of ochre. These warm, grounded hues create a soothing ambience that invites relaxation and reflection to any space. The combination of rustic textures, natural materials, and an organic colour palette form a cohesive visual composition perfect for a variety of interiors.

“A fusion of timeless charm and rustic elegance that transports you to the heart of Midwestern landscapes.”

Dakota

Influenced by traditional geometric patterns, this collection intertwines these motifs with elements inspired by the vast Midwestern landscapes. A cool blue tonal palette infuses a refreshing twist, offering a harmonious balance between the rugged charm of the West and the tranquil serenity of the open skies.

“Dakota is more than just decor; it's a journey into the heart of tradition and heritage.”

Weaving Tales

Welcome to the enchanting world of **Anahita**, a true embodiment of luxury and elegance. Drawing inspiration from the realm of fantasy, the Anahita Collection is adorned with fantastical creatures and imaginative florals that weave a tapestry of enchantment. This captivating range stands as the pinnacle of opulence, boasting an array of sumptuous fabrics, intricate trims, and resplendent beadwork.

Anahita

“It's a symphony of opulence that brings together fantastical elements and rich, luxurious tones.”

Among its treasures, the Anahita Collection showcases an array of stylish lighting options as well as cushions, adorned with beautiful beads and intricate embroidery, enhancing both comfort and aesthetics. This collection transcends mere decor, inviting you to embrace a fantastical world where artistry and luxury converge seamlessly.

Each piece is a masterpiece, featuring hand-painted, illustrative watercolour artworks that evoke a sense of whimsy and wonder.

Symmetrical designs are at the heart of Anahita, offering a sense of balance and visual delight that resonates with both traditional and contemporary aesthetics. Each design invites you to experience a world of beauty and imagination.

Anahita

The collection's symmetrical designs and meticulously chosen colour palette create an ambience of regal sophistication. Enchanting mauves, captivating teals, and glistening highlights of gold blend together to create a true reflection of opulence.

“The colours of Anahita are a reflection of opulence itself, a palette that indulges the senses and elevates the spirit.”

Anahita

This collection is a symphony of comfort and beauty. The cushions, throws, and doorstops are not just pieces; they're a tactile journey through elegance.

Explore a selection of luxury table lamps, where light meets artistry. Lampshades, adorned with hand-painted designs from Anahita, transform every table into a canvas of elegance. With every flicker, they weave tales of opulence, casting a spell of sophistication that bathes your surroundings in a warm, enchanting glow.

“Anahita's cushions are more than just accents; they are bursts of joyous colour that dance playfully amidst the opulence.”

The fusion of rich fabrics, on-trend colour palettes, and intricate trims that bring Anahita to life capture the essence of elegance and transform any space into a haven of opulence.
