Providing Artwork Files

When providing artwork files for print, please provide these **THREE** files:

1. A **PDF** file of the **final artwork** showing all images, text and cut lines.
2. A **CS3 Illustrator file** (.Ai or .EPS) of the **Top Label** (which includes **two layers**: the pink cut line and the artwork layer). Be sure to select **CS3 version** when saving your file.
3. A **CS3 Illustrator file** (.Ai or .EPS) of the **Side Label** (which includes **two layers**: the pink cut line and the artwork layer). Be sure to select **CS3 version** when saving your file.
