

SeedBoost

The Custom Fertility Formula.

Premium Reproductive Support

SeedBoost: Your Path to Reproductive Vitality

Fuel your reproductive health with SeedBoost's blend of 12 science-backed ingredients, including Ashwagandha, Vitamin D3, Zinc, Maca, and Tongkat Ali, enhanced with BioPerine®. Designed to support testosterone balance and sperm health, SeedBoost is your ally in achieving optimal wellness. Experience early improvements, with transformative benefits typically after six months.

Ashwagandha: Enhances energy by supporting mitochondrial function.

Vitamin D3: Protects cells from oxidative stress, boosting sperm quality.

Zinc: Supports testicular health for optimal testosterone production.

Maca: Defends cells with antioxidants, promoting vitality.

Tongkat Ali: Promotes healthy testosterone levels, vital for reproductive health.

Tribulus Terrestris: Regulates hormones, enhancing testosterone and sperm motility.

Boron: Boosts free testosterone utilization, aiding sperm production.

BioPerine™: Maximizes nutrient absorption and bioavailability.

Diindolymethane (DIM): Supports hormonal balance and detoxification.

Niacin: Fuels cellular energy and maintains healthy cholesterol levels.

Epimedium Grandiflorum: Neutralizes free radicals with antioxidant support.

Fenugreek: Reduces inflammation by balancing blood sugar levels.

Benefits*

- Supports efficient motility to help your sperm reach the egg more quickly
- Enhances sperm count to allow for more opportunities to fertilize the egg
- Aids in sperm morphology, allowing for lower levels of DNA fragmentation in healthy sperm

Recommended Use

Follow the Suggested Use: Take 3 capsules daily or as directed by your healthcare professional. Consult with your health care professional about your specific circumstances if needed.

Highlights*

- GMP certified & third party lab tested for purity
- Made in the USA with globally sourced ingredients, plus gluten-free
- Clinically-dosed to support normal testosterone levels and balance
- Highly-bioavailable ingredients, all enhanced for maximum absorption with BioPerine™
