Total Social Skills											

Gross Motor											
1	Uses alternate feet when climbing stairs										
2	Jumps off of a bottom stair										
3	Kicks a ball										
4	Catches a bounced ball										
5	Pedals a riding toy										
6	Walks on a balance beam										
7	Jumps over a hurdle 2"-6" high										
8	Balances on one foot										
9	Walks backward										
10	Makes a standing jump										
11	Marches around the classroom										
12	Runs smoothly										
13	Gallops										
14	Hops on one foot										
15	Skips around the classroom										
Fine Motor											
16	Manipulates fasteners										
17	Demonstrates hand dominance										
18	Holds pencil or crayon with thumb and forefinger										
19	Copies block designs										
20	Works a 5-piece inset puzzle										
21	Works a 7-9 piece non-inset puzzle										
22	Uses scissors to cut on a 6" line.										
Total Motor Points											

	Prewriting										
	Stage 1										
1	Scibbles spontaneously										
2	Imitates a vertical stroke										
3	Imitates a horizontal stroke										
4	Imitates circular scribbles										
5	Colors inside areas of picture										
	Stage 2										
6	Imitates a circle										
7	Imitates a cross										
8	Traces on straight & curved lines										
9	Starts to form letters										
10	Traces inside a path										
	Stage 3										
11	Completes simple dot-to-dot pictures without guiding numbers or letters										
12	Traces on angled lines										
13	Draws simple figures										
14	Imitates a square										
15	Copies first name										
	Stage 4										
16	Imitates a triangle										
17	Colors with few deviations outside of lines										
18	Able to print first name without a model										
19	Draws recognizable pictures										
20	Copies all letters of the alphabet										
	Stage 5										
21	Writes/prints words from dictation										
22	Uses inventive spelling										
	Prewriting Total										

Literacy Checklist										
Book Orientation										
1	1									
2	2	Knows that print tells the story								
3	3	Knows to read text from left to right and from top to bottom								
4	4	Turns book pages in sequence								
Print and Letter Awareness										
5	5	Reads environmental print								
6	6	Recognizes a few familiar words in print								
7	7	Recognizes his/her name in print								
8	8	Counts the number of words in a sentence								
9	9	Distinguishes letters from words								
Identification of Letters and Letter /Sound Correspondence										
10	10	Names letters of the alphabet								
		0-5 letters								
		6-13 letters								
		14-23 letters								
11	11	Provides correct letter-sounds when shown a letter								
		0-5 sounds								
		6-13 sounds								
		14-23 sounds								
12	12	Selects correct letter to represent a letter sound								
		at least 5 letters								
		at least 10 letters								
		10+ letters								
13	13	Selects correct letters to represent a word (e.g., invented spelling.)								
Story Structure										
14	14	Identifies key components of a familiar story								
		setting								
		characters								
		beginning								
		one event								
		ending								
15	15	Adds details to a familiar story								
Shared Storybook Reading										
16	16	Finds items in pictures/illustrations on request								
17	17	Fills in the last word in a cloze sentence task.								
18	18	Answer a variety of "wh" questions that relate to the story								
19	19	Asks questions during storybook-reading								
20	20	Comments on storybook content								
21	21	Repeats familiar lines of text during storybook-reading
