- 1.) All prices are in US Dollars. Remote Satellite Systems® reserves the right to modify/change or delete plans as necessary.
- 2.) Once allowance is used, additional run-on usage will be invoiced each month.
- 3.) No roll-over of unused allowance from month-to-month.
- 4.) Plans are MB allowance plans; no other usage, such as Voice, Streaming IP, or ISDN is supported. BGAN M2M terminals only support Standard IP and SMS.
- 5.) Minimum duration is counted by calendar months, with month of activation counting as Month 1.
- 6.) There is no pro-ration of subscriptions and allowances on activation or deactivation.
- 7.) Subscriptions will continue to be charged after the minimum duration period until SIM is deactivated or moved to another plan.
- 8.) If SIM is disconnected from the M2M plan or downgraded prior to the end of the minimum duration period, an early termination penalty for the remaining months subscription in the minimum commitment period will be incurred.
- 9.) An SMS is up to 160 characters in size.
- 10.) [Remote Satellite Systems Terms and Conditions apply to all Post-paid airtime subscriptions and Pre-paid airtime purchases.](#)
