- Prices are in US Dollars. Remote Satellite Systems® reserves the right to modify or delete plans as necessary.
- Initial monthly fees / allowances for the BGAN Standard Level Plan are prorated based upon the number of days active. Minimum commitment periods do not include initial prorated month and begin on the 1st day of the following calendar month. For example, a twelve month period activated on March 3rd, 2017 will be in contract until March 31st, 2018.
