Effective: April 21, 2017

- 1.) Prices are in US Dollars. Remote Satellite Systems® reserves the right to modify/change or delete plans as necessary.
- 2.) All prepaid units are subject to a Prepaid MTS Surcharge. See the Board of Equalization website for more details.
- 3.) The expiration date will be extended based upon the date of voucher redemption.
- 4.) Prepaid expirations occur at 00:00 UTC for the expiration date in question. To ensure existing airtime is not lost, recharge should be requested at least 2 business days prior to expiration.
- 5.) Unused units will roll over if SIM is topped up prior to the expiration date.
- 6.) Crew, Multi-Voice, ISDN, and Streaming Class Services are not available on Fleet One activations.
- 7.) To be eligible for the Fleet One Global Plan, the following conditions must all be met at all times throughout the service
  - (a) Vessels must have a Maritime Mobile Security Identity (MMSI) which is to be provided upon provisioning.
  - (b) Vessels must receive the service using an Inmarsat type approved Fleet One terminal.
  - (c) "Vessels" must not be floating / fixed platform, or rigs.
- 8.) Upon request from Remote Satellite Systems®, the customer must demonstrate to the company's satisfaction that the vessel is eligible for a Fleet One Global Plan.
- 9.) All services used on the Fleet One Global Plans are available without any geographical restriction.
- 10.) Implied minutes represents calls to cellular or fixed lines in the United States.
- 11.) Implied minutes and MBs represent the total amount that could be used if the voucher was used solely for that service. For clarity, with a 50 unit voucher, usage can be up to 10 MBs *or* 100 minutes, but not 10 MBs *and* 100 minutes.
- 12.) Effective November 7th, 2016 voucher removals / replacement vouchers can longer be issued for prepaid SIMs.
- [13.\) Remote Satellite Systems Terms and Conditions apply to all Post-paid airtime subscriptions and Pre-paid airtime purchases.](#)
