- 1.) Prices are in US Dollars. Remote Satellite Systems® reserves the right to modify/change or delete plans as necessary.
- 2.) Initial monthly fees / allowances are pro-rated, however, final months will be charged in full.
- 3.) Activation and Reactivation Fees apply to all Iridium SIM Card types.
- 4.) Voice and data traffic bills in 20 second minimums / increments.
- 5.) Users who terminate their device prior to the end of their contract period must pay the remainder of the subscription fees for that contract period. For example, if a Go! 5 Plan is terminated 1 month into the contract period, the remaining two months of subscription fees must be paid at deactivation.
- 6.) Following the initial contract period, plans will renew on a month-to-month basis. It is the customer's responsibility to request deactivation of their device in writing at least three business days in advance.
- 7.) Iridium Go! Postpaid rates are only available when used on Iridium Go! Terminals. Usage on a Standard Iridium Handheld or other terminal type will cause the usage to revert back to the equivalent Standard Postpaid rates.
- 8.) Iridium Go! Data minutes are available only with the Iridium Go! Access Number via an Iridium Go! Terminal using the Go! App. For clarity, Standard Data connections, including RUDICS, made from an Iridium Go! Terminal are explicitly not included. All other Data will be charged according to the listed rates.
- 9.) The minutes included on the Go! 75 and Go! 150 plans will include the designated number of minutes of Iridium Go! Data usage, as defined above, and Standard voice services from an Iridium Go! Terminal (Iridium to Fixed / Cellular, Iridium to Iridium, and Iridium Personal Mailbox Access). Other Voice destinations, Two-Stage Dialing, and +1 Voice usage are not included in the allowance.
- 10.) [Remote Satellite Systems Terms and Conditions apply to all Post-paid airtime subscriptions and Pre-paid airtime purchases.](#)
