PROJECTS

RIVERLYN

CUSTOMISED GREY

The rugged look of **Riverlyn Stone** complements any natural environment, its rich texture enhances a multitude of architectural designs to give a modern touch to classic charm.

We installed customized **Riverlyn** in the IL Bosco compound in New Captial , Misr Italia.

## RIVERLYN

Mixed stone sizes bring natural warmth to the space .

Customized Riverlyn offers an extensive color palette and striking color contrasts installed on the facades of Green Square , A prestigious Compound by Al Ahly Sabour located in Mostakbal City.

## CUSTOMISED GOLD

CORAL

GREY

**Coral Stone** is designed with minimalist patterns and emphasizes contemporary design beautifully , works as a repeating pattern in residential or commercial settings our Coral Grey is installed in I-City New capital , with Mountain View .

## CULTURED BRICKS

## GREY

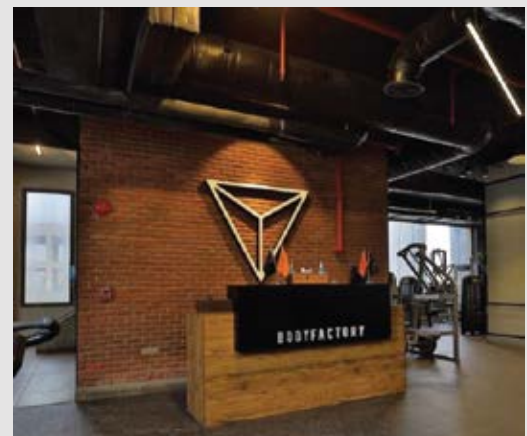

This **Cultured Bricks** inspired by the warmth of old brick structures adds distinct character to any structure .

Depending on your color and design choices this brick can be warm and charming or industrial and modern .

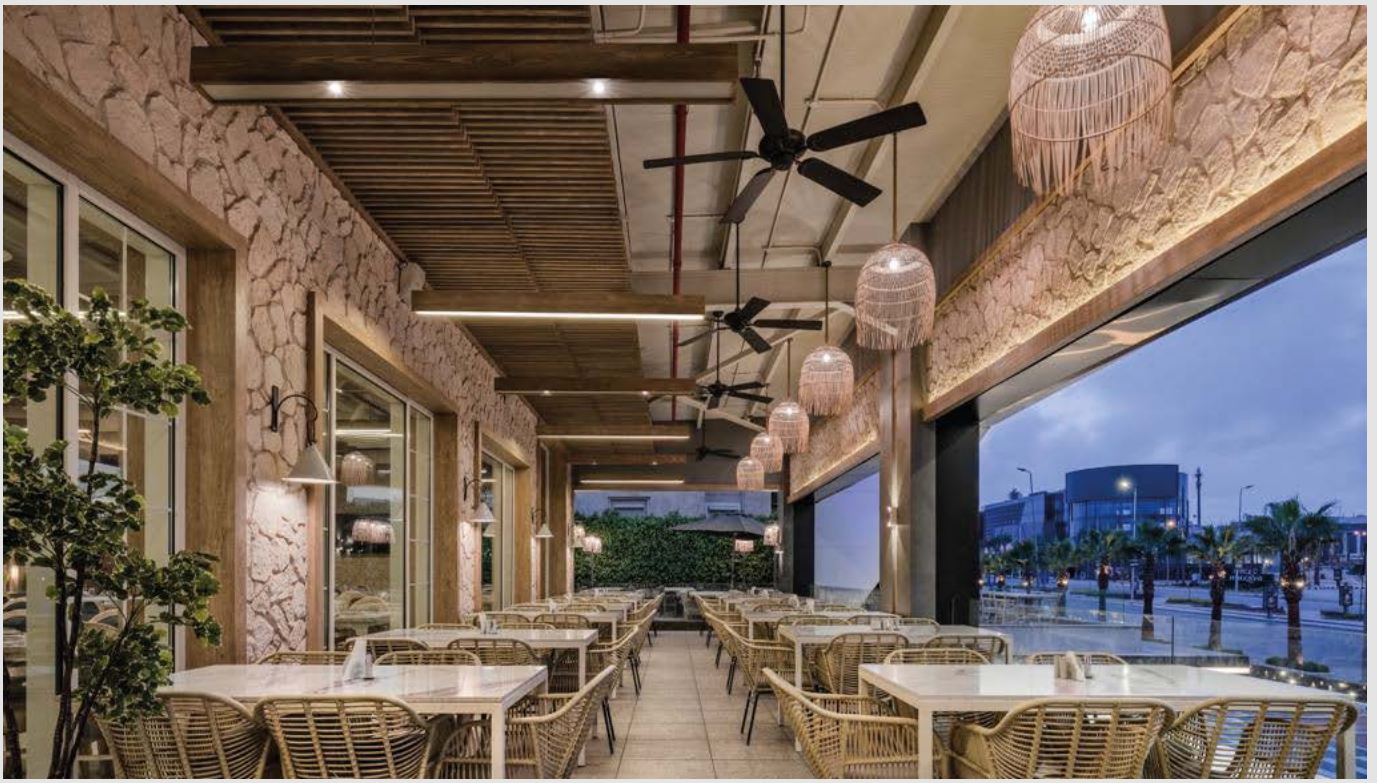

We installed Cultured Bricks Grey at Uptown International School in Mokattam City , Hany Saad Designs

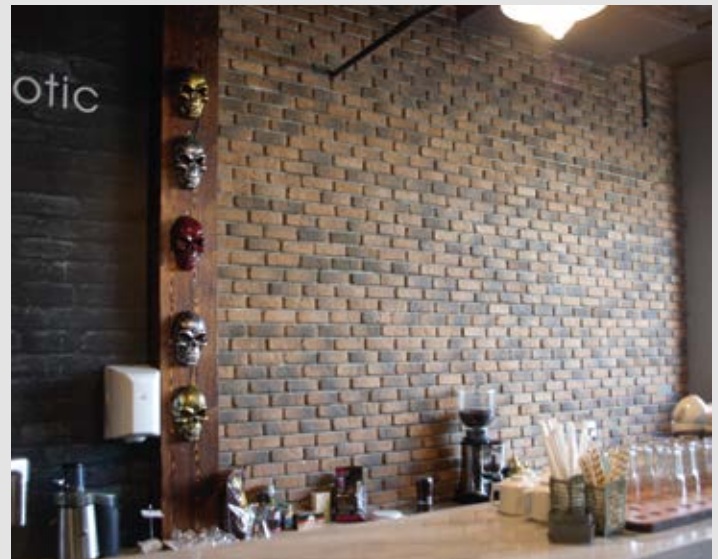

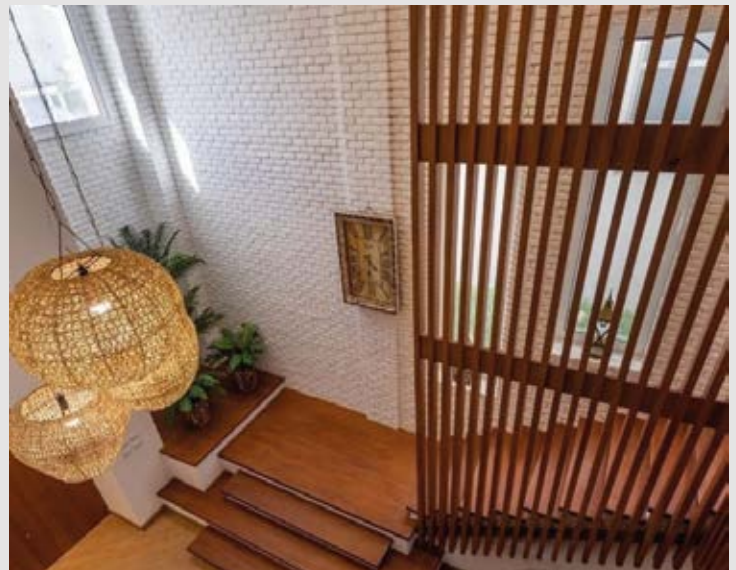

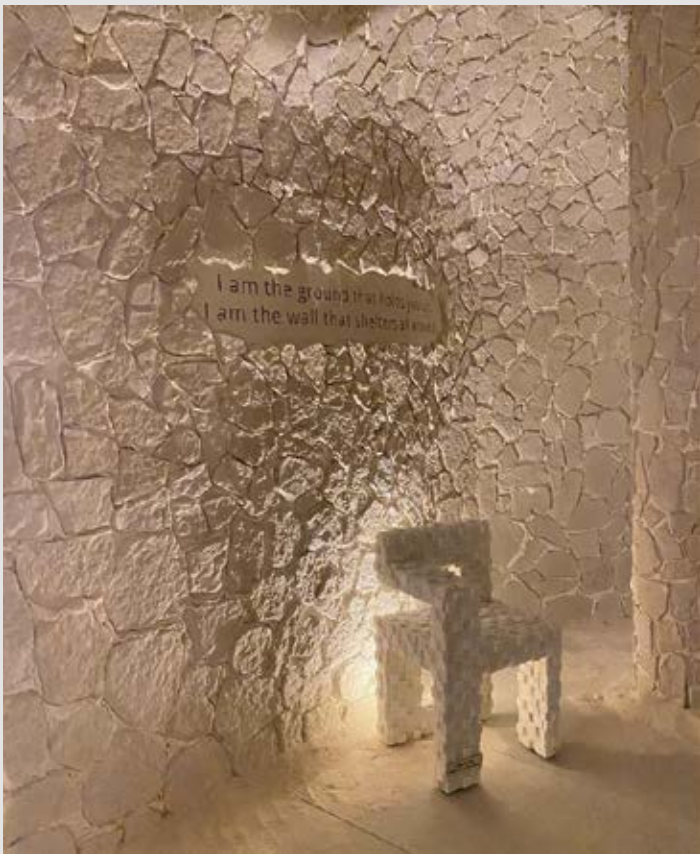

A wide range of cladding options are available for interior and exterior cladding
