TTMT Core + Fringe Communication Board Customization Form

Please use this form to note the words/images on the existing board you would like replaced with words/images of your choice. Return completed form to: shop@talktometechnologies.com

Want to include images of your school or playground equipment? No problem! Just snap a photo and attach it when you return this form. We'll create an illustrative version to match the existing style of the images of our Spark™ Symbol Library. (Note: 2- to 3-week additional turn-around time for customization).
