

A photograph of a dark brown rectangular box filled with chocolate truffles. The truffles are round, coated in dark chocolate, and some are topped with a dusting of cocoa powder or nuts. A gold-colored ribbon is tied around the box. The box is placed on a dark wooden surface, surrounded by several purple and pink roses, some of which are in bloom and others are petals scattered around. The background is dark and out of focus, showing more chocolate truffles and a white paper bag.
