RINGWOOD

FIVE IRON GOLF IS FOR EVERYONE

Five Iron Golf set out to reshape urban golf culture, turning traditional golf on its head. Helping the masses to get their swing on, the 5i way is **access** to play, practice and party, **inclusivity** to bring out the golfer in everyone through dynamic **experiences**.

Proper golf attire NOT required.

Swing by in your street clothes, straight from the office or dressed for the gym.

We're all golfers here!

Five Iron Golf is as inspired by the first timer, as much as the low scorer.

Golf's not the only thing on the menu.

Enjoy class, catching the game on one of our big-screen TVs. Or just belly up to the bar and indulge in our delightful libations.

TEEING UP GREAT TIMES

Walking into a Five Iron Golf is like discovering an urban golf oasis mixed with a speakeasy. The unique mixture of street art, neon signs, and lounge furniture set against Tour-level simulators is...

Golf in another dimension.

THE COMPANY WE KEEP

“

We had a wonderful experience having our event at Five Iron. The

STAFF WERE SO ACCOMMODATING

and easy to work with. Our members loved the venue and can't wait to go back! We heard from multiple attendees that they had more fun than they've had in a long time.

- Sabrina K., *match.com*

“

GREAT HOSTS

We felt welcome, comfortable, and set up for success.

- Ethan G., *Callaway Golf*

“

I'm happy to report that not only was everyone blown away by the venue (especially golfers), but (as expected) people with no golf experience picked up the club (some for the first time) and had a great time.

THIS IS THE REASON I LOVE 5I...

because it breaks those conventional thoughts and notions about the sport!

- Deanna D., *Summer Search*

“

Your team was...

IMPECCABLE

Every single staff member was fully engaged, friendly, and kept the event moving. Attendees had a fantastic time and so many had never experienced a brand like yours.

- Tamara A., *Bacardi*

“

Absolutely fantastic. Went for one of my friend's birthdays and had a great time. Got three golf simulators and an open bar for a very reasonable price. Service was excellent. Staff was always on top of drinks and food.

HIGHLY RECOMMEND

to anyone who's looking for a good time with friends.

- Nicholas R., *5i fan*

“

We had a group for a bachelorette party and this place was amazing! All of the staff was super nice, friendly and very attentive to our group. They made it so easy to get started and explained how everything works. The facility itself was awesome, very big with lots of other table games and great decorations. We absolutely

WANT TO GO BACK.

- Gianna D., *5i fan*
