

Ring size: find the perfect fit

1. Print this page

1. Print this page on A4 paper at 100% scale.
"Fit to page" should not be checked.
2. To validate the page has been printed correctly, place a credit card in the black box. It should fit perfectly.

2. Measure a ring circumference

Use a ring that fits perfectly. Place it on the circles below until you find one where the inside of the ring lines up with the outside of the circle. If you're in between two sizes, opt for the larger of the two.
