Using the Haikubox Calendar

1	From the main page in t icon.	he Haikubox mobile app or webs	ite, click on the calendar
		 Bookmarks 	-
	•	c 🙃	

2 Once the calendar loads, use the arrows to move to the month in which you are interested.

Click on the date you'd like to access. The counter will show that these recordings and data are being loaded.

3

²⁰²³ Mon, Nov 6								
<		August 2023				>		
S	М	т	W	Т	F	S		
		1	2	3	4	5		
6	7	8	9	10	<mark>1</mark> 1	12		
13	14	15	16	17	18	19		
20	21	22	23	24	25	26		
27	28	29	30	31				

4 You can now scroll down to see the birds identified on this date.

Verify the date of the recordings and then access these recordings, spectrograms and data as you normally would if it was today.
