**Weave:** Ribbed

**Contents:** Polyester

**Flammability:** Class A

**Maintenance:**

For dust or dry debris vacuum with an upholstery attachment. To spot clean fabric panels, pre dampen a non-abrasive cloth or soft nylon brush with a mild water-based soap and water solution. Lightly brush working area. Avoid over-dampening fabric's surface. Towel dry after cleaning. If using a commercial spot treatment lightly mist ahead of time to loosen soil before cleaning.
