PORTABLE METAL TOUCH LAMP

Aluminium

Brassy Gold

UNMATCHED VERSATILITY FOR EVERY SETTING

With its compact size (21.5cm H x 15.5cm W), this lamp is your ultimate companion, whether you're hosting a charming dinner outdoors, creating a cosy ambiance in your bedroom, or seeking a safe candle alternative for your bathroom. Its portability means you can bring the perfect mood lighting to any space, effortlessly. Available in two beautiful finishes: Brassy Gold and Aluminium.

THREE SHADES OF BRILLIANCE

Easily cycle through three different light temperatures with a simple touch. Whether you need a soft glow for a relaxing evening or a brighter light for reading, this lamp adapts to your needs.

USB-C RECHARGEABILITY FOR UNINTERRUPTED ILLUMINATION

Gone are the days of searching for sockets. The USB-C rechargeability ensures your lamp is always ready to shine, providing continuous, reliable lighting.

ENERGY EFFICIENT DESIGN FOR A SUSTAINABLE FUTURE

Crafted with sustainability in mind, this lamp not only looks good but also feels good to use. Its energy-efficient design makes it a responsible choice for the environmentally conscious.

DURABLE AND SAFE FOR EVERY HOME

Built to last, this lamp combines durability with safety. Its sturdy construction ensures long-lasting use, while the cool-to-touch surface makes it safe around children and pets.

CRAFTED FOR COMFORT AND WELLBEING

As evening falls, the warm light of this lamp not only enhances your surroundings but also nurtures your well-being. Scientifically shown to help regulate your circadian rhythm, it reduces stress levels, creating a nurturing and warm indoor environment year-round.

YOUR SOLUTION TO EVERY LIGHTING NEED

From a festive dinner party to a serene reading nook, the Portable Metal Touch Lamp effortlessly adapts to every moment of your day, enhancing your life with light.
