

SG12 Blood Sugar Formula* Description

A 30-day supply of SG12 Blood Sugar Formula* from Esprita's PULSE line. Formulated with healthy, effective herbal extracts, vitamins and minerals to help maintain healthy blood sugar levels.*

Support healthy blood sugar levels by taking only 1 capsule, twice daily with food.*

SG12 Key Benefits

- Helps maintain healthy blood sugar levels.*
- Supports healthy glucose metabolism.*
- Nourishes and strengthens the pancreas, adrenal glands, and liver.*
- Supports weight management goals.*
- Helps support the production of serotonin, which is important for appetite, mood balance, and sleep.*
- Helps boost energy levels.*

SG12 Features

- Gymnema, part of the SG12 formulation, has glycosides known as gymnemic acids which decrease the absorption of sugar from the intestines.*
- The combination of herbal extracts and micronutrients in the SG12 formula nourishes the organs and supports balanced insulin production.*
- Chromium picolinate is included in the formula for its insulin-enhancing properties.*
- Studies show that cassia has a positive effect on blood glucose levels and helps stimulate the release of insulin from INS-1 cells.*
- SG12's dragon's blood extract (*Daemonorops draco*) helps promote healthy blood glucose levels.*
- Bitter melon extract helps maintain healthy blood sugar levels by curbing the absorption of sugar from the intestines.*
- Scientists are studying Indian kino tree for its ability to help trigger the production of essential beta cells in the pancreas.*
- SG12's combination of herbal extracts, vitamins and minerals can be a great addition to exercise regimens and weight management plans.*
- In veggie capsules.
