

A photograph of a rustic wooden dining table with a slatted top. On the table are several items: a large, light-colored ceramic vase filled with a bouquet of pink and white roses; a small glass of amber-colored liquid; a white plate with a single slice of lemon; a small white bowl filled with red fruit; and a white bowl containing a pink dessert, possibly ice cream or a parfait, with a small wooden spoon. The table is surrounded by wooden chairs with vertical slats. In the background, a blue cabinet is visible.
