THE COLLECTOR

Her enthusiasm and curiosity for the art form is infectious. Sometimes it is the richness of the colour and the pattern, other times it is just pure tactile pleasure.

Always curious and seeking new adventures, her eye for the arts always delights the soul.

We bring to you - The Collector. Our holiday edit of co-ord sets, jackets and dresses.

A collection of handmade pieces, with meticulously crafted details and original Jodi prints. Hand dyed and hand block printed eclectic textiles, sourced from weavers around the country.
