

Something New

Something New

*Summer is here, oh how sweet!
Let's trade in our shoes for bare feet.
Easy clothes and picnic vibes,
We'll lounge on blankets, under sunny skies.*

*The air is warm, the breeze is light,
Let's soak up the sun, and enjoy the sight.
Of flowers blooming and birds in flight,
Summer days are pure delight.*

*We'll pack some food, and grab some drinks,
Gather with friends, and play some games.
Laughing and dancing, we'll let loose,
With each passing moment, our joy will increase.*

*So come on, let's celebrate,
This season of fun, we can hardly wait.
For all the adventures, that await,
Summer is here, let's make it great.*
