

JODI MAN

BOYS LIKE COLOUR TOO!

How dull of the world to label boys under blues and blacks and whites (and any MONOTONE you can think of). Don't get us wrong. Ain't nothing dull about single tones. But there's more to the world than just that. We love a man in colour. In a mix and flurrrrryyy of colour! Which is why we bring to you a new line of easy, breezy menswear in our signature JODI prints.

Hand block printed in Jaipur, India - our new line of men's shirts and kurtas in soft cotton, features a wide range of prints from fossils to folkloric animals. We have also made customised JODI silk pieces for men. Made in Gajji silk and pure silk, our waistcoats, and kurtas are just what you need to chill out and have some fun at weddings this season!
