

## THE PONDICHERRY COLLECTION

Salty summer breeze and coconut trees serve up a fresh cocktail of coastal happiness as soon as one steps into Pondicherry. A quaint little town by the backwaters of Tamil Nadu, India- Pondicherry is a delightful reflection of its history. Traces of the Dutch, Portuguese, British and French creep up in narrow lanes lined with sorbet hued colonial buildings.

This collection mirrors the peaceful energy of Pondicherry. Open styles to show of sun-kissed shoulders and light, easy cotton for the changing weather- our pieces are perfect for the resort season.

Pack your bags and get ready to go island hopping in our Pondicherry collection!
