WORKING GIRL "Don't compromise yourself. You are all you've got. There is no yesterday, no tomorrow. It's all the same day." - Janis Joplin

We can accomplish anything we set our minds to. We're louder than ever right now. One can say we're coming into our own. We been hustlin' baby.

Here's to being our own greatest cheerleaders. Our new collection is a celebration of how unique each of us are. This new mix of dresses and separates is here to make you feel good, whether at work or play. Pieces you will want to live in, pieces that spark joy, all handcrafted in signature punchy JODI prints.
