

FERRET PRO ^{WiFi}

Multipurpose Wireless Inspection Camera and Cable Pulling Tool

AWARD WINNING

Ferret Tools is creating the future with new thinking and innovation in smart inspection camera technology for Trades & DIY to help build an easier and safer work environment.

For those of you that care about having the most reliable and durable tools with the latest smart technology to help work faster, easier and safer, inspect with a Ferret.

THE FERRET PRO - PRODUCT INFORMATION

Multipurpose Wireless Inspection Camera & Cable Pulling Tool

The Ferret Pro, designed and engineered by Ferret Tools, is a professional and durable inspection tool, designed and engineered with award-winning features to help provide easier, faster & safer visual inspections and the ability to locate and pull in a cable in hard to reach spaces.

We've engineered new technology in the new model to bring you an App controlled variable focus lens, super-fast charge, Ferret always up viewing mode and a right angle adaptor. If you need to locate and pull in heavy duty cabling inside enclosed spaces then the Ferret Pro is the perfect tool. Ideal for any electrician.

THE FERRET PRO KIT INCLUDES

Padded EVA case

The Ferret Pro IP67 rated camera

Flexible gooseneck and short rod

Hook, magnet and thread adaptors

Right angle adaptor

USB-C charge cable

Spare O-rings and Instruction manual
